BUILD YOUR DREAM

KingstoneTM
BUILD YOUR DREAM

Who We Are?

Modern day architecture is truly achieving great heights as the real estate market is also seeing a major leap. The requirements of the building structure are now definitely in accordance to the international flavour. This has propelled the emergence of autoclaved aerated concrete blocks from us, Kingstone. We are the pioneers in manufacturing AAC Blocks and based in Saurashtra-Kutch region of Western India.

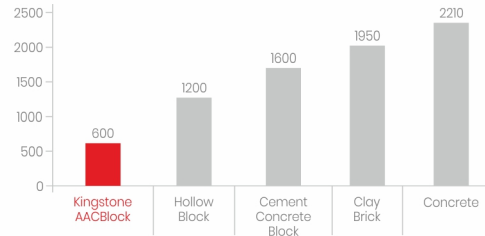

VISION & MISSION

Our endeavour is to work in tandem with the demand from the local market. As the current real estate boom has led to the increase in the price of buildings, hence these blocks are sure to offer relief to the people who desire to make or purchase their own home or office in future. It has been estimated that these AAC Blocks from Kingstone are sure to reduce the cost of building by a great margin undoubtedly.

Kingstone is established by the people who have a thirst to manufacture AAC Blocks. We at Kingstone, are working with talented team of engineers, who are constantly trying to upgrade these blocks to be user-friendly and yet cost-effective. Kingstone maintaining the highest level of customer service & support.

Density (Kg/M³) of Various Materials

M³ CALCULATIONS

24 Inch (600mm) AAC Block

Size	Length	Height	Width	No. of Block/M ³
4 Inch (4")	600mm	200mm	100mm	83
6 Inch (6")	600mm	200mm	150mm	55
8 Inch (8")	600mm	200mm	200mm	42
9 Inch (9")	600mm	200mm	225mm	37

20 Inch (500mm) AAC Block

Size	Length	Height	Width	No. of Block/M ³
4 Inch (4")	500mm	200mm	100mm	100
6 Inch (6")	500mm	200mm	150mm	67
8 Inch (8")	500mm	200mm	200mm	50
9 Inch (9")	500mm	200mm	225mm	44

18 Inch (450mm) AAC Block

Size	Length	Height	Width	No. of Block/M ³
4 Inch (4")	450mm	200mm	100mm	111
6 Inch (6")	450mm	200mm	150mm	74
8 Inch (8")	450mm	200mm	200mm	56
9 Inch (9")	450mm	200mm	225mm	49

ADVANTAGE

Block

- ₹ LABOUR COST SAVING
- ₹ COST SAVING IN PLASTER
- 🏢 STRUCTURAL SAVING
- 👉 LIGHTWEIGHT
- 👷 WORK ABILITY & FLEXIBILITY
- 🌱 ECO FRIENDLY
- 🏗️ HIGH STRENGTH
- 🏠 EARTHQUAKE RESISTANT
- 🔥 FIRE RESISTANT
- 🕸️ PEST RESISTANT

AAC Block Adhesive

- 🚀 SPEED CONSTRUCTION
- 🧊 THERMAL INSULATION
- 📏 THIN JOINT
- 💪 STRONGER & SMOOTHER
- 👉 CONSISTENCY IN ADHESIVE QUALITY
- 🚰 NO CURING (Water Retaining Properties)
